

ASSIST PROGRAMS

The Assist By Knight Foundation strives to touch the lives of the people in the community in many different ways. Brevin and Deena both understand the importance of a healthy mind, body, and spirit. It is because of this understanding that the Knights have broken the programs that they work on into four categories:

- [Scholarship and Educational Programs](#)
- [Sports and Recreation Programs](#)
- [Personal Development Programs](#)
- [Multiple Sclerosis Programs](#)

Being a good community partner is one of the values upon which Independence has built its reputation. Independence is dedicated to being a good corporate citizen, investing in the economic and social well being of the communities where we do business. We also encourage our employees to become actively involved in improving their communities.
